**To Shareholders with Voting Rights:**

Yoshinobu Nakamura  
President  
SEIKO HOLDINGS CORPORATION  
5-11, Ginza 4-chome, Chuo-ku, Tokyo

## **NOTICE OF THE 160TH ORDINARY GENERAL MEETING OF SHAREHOLDERS**

We would like to express our appreciation for your continued support and patronage.

Please be informed that we will hold the 160th Ordinary General Meeting of Shareholders of SEIKO HOLDINGS CORPORATION (the “Company”). The meeting will be held for the purposes described below.

From the perspective of preventing the spread of the novel coronavirus, we request that shareholders exercise their voting rights in advance in writing, or via the Internet as much as possible.

**Regardless of the condition of your health, we request that you refrain from visiting the venue on the day of the meeting.** In order for shareholders to be able to view the proceedings of the Meeting, live streaming of the meeting will be made available via the Internet (for details, please refer to the “Notice of Live Streaming of the General Meeting of Shareholders” (page 3) below).

Please review the attached Reference Documents for the General Meeting of Shareholders (pages 6 through 21), and exercise your voting rights in accordance with the “Notice regarding Exercise of Voting Rights” (pages 4 through 5) by 6 p.m. on Monday, June 28, 2021, Japan time.

**1. Date and Time:** Tuesday, June 29, 2021, at 10 a.m. Japan time  
(The reception desk will open at 9 a.m. Japan time.)

**2. Place:** Toranomom Hills Forum Hall B  
Toranomom Hills Mori Tower 4F  
23-3, Toranomom 1-chome, Minato-ku, Tokyo, Japan

This year, the number of seats that we are able to provide will decrease considerably compared with usual years, as the spacing between seats will be expanded to prevent the spread of the novel coronavirus infection. Accordingly, we may have to refuse admission of shareholders to the venue on the day.

### 3. Meeting Agenda:

**Matters to be reported:** The Business Report, Non-consolidated Financial Statements, Consolidated Financial Statements and results of audits by the Accounting Auditor and the Board of Corporate Auditors of the Consolidated Financial Statements, for the Company's Fiscal Year Ended on March 31, 2021 (from April 1, 2020 to March 31, 2021)

**Proposals to be resolved:** **Proposal 1:** Distribution of Surplus  
**Proposal 2:** Partial Amendment to the Articles of Incorporation  
**Proposal 3:** Election of Eleven (11) Directors

### 4. Decisions Concerning Convocation

- (1) Should you choose to exercise your voting rights via a proxy, you may designate a shareholder other than yourself, who is entitled to vote with respect to the Company, as your proxy. In such case, please have the proxy submit a power of attorney together with your Voting Rights Exercise Form to the reception desk.
- (2) Should you diversely exercise your voting rights, please notify the Company in writing to this effect, together with the reason thereof, at least three (3) days prior to the date of the General Meeting of Shareholders.

<Request to Our Shareholders>

- In order to prevent the spread of the novel coronavirus, we request that shareholders exercise their voting rights in advance in writing, or via the Internet as much as possible, and that they refrain from visiting the venue on the day of the meeting. Please review the "Notice regarding Exercise of Voting Rights" (pages 4 through 5) below for details on exercise of voting rights in advance.
- In order for shareholders who are unable to attend to be able to view the proceedings of the Meeting, live streaming of the meeting will be made available via the Internet on the day of the meeting. For details, please refer to the "Notice of Live Streaming of the General Meeting of Shareholders" (page 3) below.

- The measures described above may be updated according to the status of the spread of the novel coronavirus infection, announcements from the government, etc. in the days leading up to the meeting. In addition, the venue and starting time are subject to change, as necessary. Any changes to the operation of the meeting will be published on the Company's website (<https://www.seiko.co.jp/ir/>).
- Body temperature measurements will be taken near the entrance to the venue, and persons who have a fever or appear to be in ill health may be refused admission and asked to leave, in order to prevent the spread of the novel coronavirus.
- Shareholders attending the meeting should wear a mask. Shareholders who do not wear a mask may be refused admission and asked to leave.

### Notice regarding the distribution of the Business Report video

In order to shorten the time for the proceedings of the General Meeting of Shareholders on the day of the meeting, a video regarding the Business Report will be distributed, prior to the meeting.

June 2019	Chairman of the Board of Tokio Marine Holdings, Inc. (to present)
June 2019	Outside Director of the Company (to present)

- (5) Significant concurrent positions:

Chairman of the Board of Tokio Marine Holdings, Inc.

- (6) Reasons for nomination as candidate for Outside Director and the overview of expected roles:

The Company nominates Mr. Tsuyoshi Nagano as a candidate for Outside Director, expecting him to contribute to strengthening supervisory functions over the execution of business and provide advice from a wide-ranging management perspective based on his extensive experience and high insight cultivated in his career as a management member of corporations over many years.

- (7) Special relationship of interest between the Company and the candidate for Outside Director and the candidate's independence from the Company:

There is no special relationship of interest between the Company and Mr. Tsuyoshi Nagano.

Mr. Nagano is currently serving as Chairman of the Board of Tokio Marine Holdings, Inc. The Tokio Marine Group and the Company Group have transactions related to insurance contracts. However, these transactions constitute less than one percent of consolidated ordinary income (equivalent to consolidated net sales) of Tokio Marine Holdings, Inc. and the Company's consolidated net sales, and is thus insignificant.

Mr. Tsuyoshi Nagano satisfies the requirements of an independent director under the rules of the Tokyo Stock Exchange, and has been reported thereto as an independent director. If his appointment is approved at this Ordinary General Meeting of Shareholders, he will continue to serve as an independent director.

June 2019	Outside Director of the Company (to present)

- (5) Significant concurrent positions:

Partner Attorney of Endeavour Law Office  
Outside Director of Neturen Co., Ltd.

- (6) Reasons for nomination as candidate for Outside Director and the overview of expected roles:

The Company nominates Ms. Yasuko Teraura as a candidate for Outside Director, expecting her to contribute to strengthening supervisory functions over the execution of business and provide advice by leveraging her legal expertise based on her extensive knowledge and experience cultivated over many years as an attorney. Although Ms. Teraura does not have any previous experience of being involved in corporate management other than through serving as an Outside Director, the Company has determined that she is capable of appropriately performing the duties of an Outside Director based on the aforementioned reasons.

- (7) Special relationship of interest between the Company and the candidate for Outside Director and the candidate's independence from the Company:

There is no special relationship of interest between the Company and Ms. Yasuko Teraura.

Ms. Yasuko Teraura satisfies the requirements of an independent director under the rules of the Tokyo Stock Exchange. If her appointment is approved at this Ordinary General Meeting of Shareholders, she will continue to serve as an independent director.

Note 1: The Company entered into an agreement with Mr. Tsuyoshi Nagano and Ms. Yasuko Teraura to limit liability for damages set forth in Article 423, paragraph 1 of the Companies Act, pursuant to Article 427, paragraph 1 thereof. The limit on the liability for damages under the said agreement will be the minimum limit of liability prescribed in Article 425, paragraph 1 of the Companies Act. If their appointment is approved, the Company will continue the aforementioned liability limitation agreement with them.

Note 2: The Company has entered into a directors and officers liability insurance (D&O insurance) policy with an insurance company, with all Directors of the Company as the insured. The details of the insurance policy are as described in the Business Report (pages through 41 to 42). If the appointment of the candidates is approved, each candidate will be included as an insured under the insurance policy. The Company plans to renew the insurance policy with the same conditions during the term of office of each candidate.

**Business Report for the Fiscal Year Ended March 2021 (From April 1, 2020 To March 31, 2021)**

1. Matters related to current status of the Corporate Group

(1) Business developments and results

During the fiscal year ended March 31, 2021, while the world economy deteriorated significantly due to restrictions on economic activities as a result of the spread of the novel coronavirus, it has recovered gradually from June onward. Subsequently, in the U.S., while the economic recovery slowed temporarily due to the resurgence of infections in the third quarter of the fiscal year ended March 31, 2021, it picked up in the fourth quarter with the start of vaccinations. In Europe, the economic recovery has stagnated from the third quarter onward, mainly due to a resurgence of infections and the spread of mutant strains. In China, the trend toward economic recovery that began at the beginning of the fiscal year was maintained throughout the fiscal year, despite self-restraint from traveling in some areas in the fourth quarter. Other countries, such as Taiwan, with its favorable semiconductor exports, and Australia, with its strong housing market, also continued to experience an economic recovery.

The Japanese economy also shrunk rapidly due to the closure of most of the commercial facilities such as department stores and retail stores following the government's declaration of a state of emergency in April. After the state of emergency was lifted, the economy gradually began to recover. Following the reimposition and extension of the declaration of a state of emergency in January of this year, the economy stagnated temporarily, particularly in terms of personal consumption. However, with the lifting of the declaration of a state of emergency, there have been signs that the economy is beginning to pick up.

Amid these circumstances, the Company focused its efforts on addressing the coronavirus pandemic, while promoting the policies of the Seventh Mid-Term Management Plan, looking toward what the Seiko Holdings Group aims to be in FY2025. In the Watches Business, the Company launched new products, which are equipped with new high-end movements and cases made of new materials, restructured the organization, and invested in branding in order to accelerate the expansion of its overseas business. In the Systems Solutions Business, the Company made COSMO CO., LTD. a subsidiary as of April 1, 2020, in order to further diversify its business. In response to changes in the external environment, the Group as a whole has also worked to digitalize its business and create a variety of work styles.

As a result, although business results began to recover from the end of the first quarter of the fiscal year ended March 31, 2021, repeated restrictions on economic activities led to the Company reporting consolidated net sales of 202.6 billion yen, a year-on-year decrease of 36.4 billion yen, or 15.3%. On a per-segment basis, while net sales under the Watches Business and Electronic Devices Business declined year on year, sales under the Systems Solutions Business increased year on year as a result of successful efforts to diversify business and expand the

stock business. On an overall consolidated basis, domestic net sales came to 113.1 billion yen (a year-on-year decrease of 17.7%), and overseas net sales were 89.5 billion yen (a year-on-year decrease of 11.9%). Overseas net sales comprised 44.2% of net sales overall.

In line with changes in the external environment, advertising and promotion expenses were reduced by approximately 20% compared with the previous fiscal year. Other operating expenses also decreased mainly due to reductions resulting from lower net sales and a transfer of fixed costs during closures, which occurred mainly in the first quarter of the fiscal year ended March 31, 2021, to extraordinary losses. For the fiscal year ended March 31, 2021, the Company reported operating profit of 2.1 billion yen (a year-on-year decrease of 64.2%), as operating profit improved steadily each quarter from an operating loss of 2.1 billion yen in the first quarter. With regard to non-operating income and expenses, ordinary profit decreased by 6.3 billion yen year on year to 0.6 billion yen (a year-on-year decrease of 91.0%), primarily as a result of a deterioration in share of profit of entities accounted for using equity method due to the transfer of shares of a semiconductor company that was an affiliated company accounted for using equity method, as well as a deterioration in the business results of an affiliated company accounted for using equity method. A gain on transfer of shares of the semiconductor company of 7.6 billion yen, a gain on sales of non-current assets of 1.0 billion yen, and subsidy income of 0.6 billion yen were posted as extraordinary income. A loss of 3.6 billion yen relating to the novel coronavirus was posted as extraordinary losses. As a result, profit attributable to owners of parent minus income taxes and profit attributable to non-controlling interests were 3.4 billion yen (a year-on-year increase of 2.4%).

The average exchange rates for the current fiscal year were 106.1 yen to 1 US dollar and 123.8 yen to 1 euro.

Results for each segment are as follows.

#### a. Watches Business

Net sales under the Watches Business came to 105.0 billion yen, a year-on-year decrease of 30.4 billion yen, or 22.5%.

Net sales of completed watches in Japan fell substantially for two months in April and May, mainly due to the closure of retail stores and commercial facilities following the government's declaration of a state of emergency. From June onward, when the state of emergency was lifted, net sales gradually recovered thanks to favorable sales of commemorative models of Grand Seiko, which commemorates the 60th Anniversary of the brand, and of Seiko Prospex, which commemorates the 55th Anniversary of Seiko's diver's watch, as well as models equipped with new calibers. From November onward, the impact of a third wave of the novel coronavirus infection brought the recovery to a temporary standstill. However, after the second declaration of a state of emergency was lifted, recovery began again. Net sales of Grand Seiko and Seiko Prospex in March exceeded not only those of the same month of the previous fiscal year, which were affected by the pandemic, but also those of the same month two

years prior. On a distribution channel basis, while sales of stores at mass retailers suffered throughout the fiscal year, e-commerce performed steadily.

Net sales of completed watches overseas have also recovered in many countries and regions since July, when lockdowns were lifted in many areas. In the three months of the third quarter of the fiscal year ended March 31, 2021, net sales increased year on year in all regions. In terms of individual brands, sales of Grand Seiko and Seiko Prospex grew steadily around the world. In the U.S., net sales recovered steadily, driven by Grand Seiko, partly as a result of the expansion of mid- to high-end stores and a strengthening of online sales promotions. In Europe, the second wave of the novel coronavirus infection as well as outbreak of mutant variants of the virus resulted in additional lockdowns from around November, which led to stagnant sales in the fourth quarter. However, in many countries, including the U.K., Germany, the Netherlands, France, and Italy, net sales of Global Brands for the current fiscal year grew year on year. In China, net sales for the current fiscal year were significantly higher year on year due to favorable performance in e-commerce and increased sales of Grand Seiko in physical stores, including Grand Seiko Boutiques. In Thailand and Australia, net sales of Grand Seiko and Seiko Prospex for the current fiscal year grew and increased year on year, mainly due to the enhancement of digital measures. In Taiwan, where a Grand Seiko Boutique opened in Taipei in September, the new Boutique has driven sales of Grand Seiko from September onward, with second-half net sales in Taiwan higher year on year.

The watch movements business saw net sales fall significantly due to partial restrictions of overseas manufacturing activities based on government requests to prevent the spread of the novel coronavirus in the first quarter of the fiscal year ended March 31, 2021. While sales recovered from the second quarter onward, the recovery was insufficient to offset the decline in the first quarter.

Operating profit decreased by 4.5 billion yen year on year, resulting in operating profit of 5.6 billion yen (a year-on-year decrease of 44.9%). The decline was despite expenses falling year on year due to such factors as a review on investments in line with the external environment and a curtailment of expenses following lower net sales.

#### b. Electronic Devices Business

Net sales under the Electronic Devices Business came to 50.2 billion yen, a year-on-year decrease of 3.0%. Operating profit was 1.3 billion yen, a year-on-year increase of 112.2%. In addition to precision turned parts for high-capacity servers and automobiles, sales were strong in high-performance metals for semiconductor production equipment, batteries for medical equipment, and quartz crystals. In the printer-related business in the first half of the fiscal year, the business was sluggish for the retail market due to the effects of the novel coronavirus. However, sales of industrial inkjet print heads recovered from October onward thanks to expanded sales of water-based inkjet print heads, which were launched last year. Net sales for the three months of the fourth quarter of the fiscal year ended March 31, 2021 were the highest quarterly net sales in the last three years.

#### c. Systems Solutions Business

Net sales under the Systems Solutions Business came to 34.1 billion yen, a year-on-year increase of 1.2 billion yen, or 3.9%. Operating profit was 3.5 billion yen, a year-on-year increase of 0.5 billion yen, or 17.5%. Demand

for mobile products, as well as support systems and services for the food service industry declined due to the coronavirus pandemic. However, amid growing demand for digitalization, the Company achieved growth in both revenue and profits thanks to an expansion of new business utilizing AI and IoT, as well as growth in business such as network products and performance management services that support digitalization, in addition to contributions from the development of IoT equipment by COSMO CO., LTD., which was made into a subsidiary in April 2020.

d. Others

Net sales under Others amounted to 24.8 billion yen, a year-on-year decrease of 4.6 billion yen, or 15.9%.

Operating losses were 40 million yen (compared to operating profit of 0.3 billion yen in the previous fiscal year).

Net sales for the first quarter of the fiscal year ended March 31, 2021 fell significantly in the Wako Business, which closed its stores for about two months following the government's declaration of a state of emergency in Japan due to the spread of the novel coronavirus, as well as in the Clocks Business, with many of its distribution channels, such as department stores and mass retailers, having been shut down. Although the businesses began to recover since June, net sales were still down year on year due to the declaration of a state of emergency again, in the fourth quarter.

(2) Issues that need to be addressed by the Corporate Group

As the Company celebrates the 140th Anniversary of its foundation, the Company has clarified its purpose: “As a company trusted by society, we will constantly pursue innovation, inspiring people everywhere, and creating a future full of smiles.” This purpose is the starting point for all of the Company’s activities, which are based on its corporate philosophy of being “A Company that is Trusted by Society.” The Company has established an individual philosophy and a long-term vision and formulated various basic policies, etc., including its fundamental philosophy of corporate ethics, in addition to practicing risk management, founded on corporate governance. On this basis, the Company will engage in business activities with targets that are shared throughout the entire Group. The Company is actively working toward environmental considerations (E), contributing to solving social issues (S), and creating systems that maintain the trust of society (G), and is aiming to realize sustainable growth beyond the 150th Anniversary in 2031.

Looking toward what the Seiko Holdings Group aims to be in FY2025, the Company is promoting the Seventh Mid-Term Management Plan, which will end in the fiscal year ending March 31, 2022. The contents are as follows.

Seventh Mid-Term Management Plan (from the fiscal year ended March 31, 2020 through the fiscal year ending March 31, 2022)

1. Long-term vision

The Seiko Holdings Group will continue the long-term vision also in the Seventh Mid-Term Management Plan, established when the Sixth Mid-Term Management Plan was formulated, based on the Group slogan, “SEIKO Moving Ahead, Touching Hearts”.

We aim to be a trend-setting and innovative global group that shares excitement with all our stakeholders around the world by providing products and services that exceed the highest expectations of our customers.

2. What the Seiko Holdings Group aims to be in FY2025

The Company has set out a more detailed image of what the Seiko Holdings Group aims to be in FY2025 based on the long-term vision.

Being a leading global player, SEIKO continues to strive beyond all expectations.  
Growing our fields of expertise and meeting challenges in new areas with the highest levels of reliability.  
Being expected by the world to create the future.  
We will grow with our sophisticated structures and human resources, as a solid and united group.

3. Basic policies of the Seventh Mid-Term Management Plan

Looking toward FY2025, the Company has set the following basic policies for this three-year period with the aim of achieving the Seventh Mid-Term Management Plan.

With everyone fully committed and focused,  
We will invest aggressively in scenarios for the future.  
Backed by the strength of the SEIKO brand, our precision technologies and ability to propose  
solutions  
Will provide us with sustained growth.

4. Initiatives for the environment and issues surrounding business

Although economic activities in Japan and overseas were severely impacted by the spread of the novel coronavirus for the fiscal year ended March 31, 2021, the strategies set forth in the Seventh Mid-Term Management Plan, including the Global Brand strategy for the Watches Business, have been showing steady results. Accordingly, the Company will further accelerate the initiatives set forth in the plan in the fiscal year ending March 31, 2022. In addition, the Company will further strengthen its Digital Transformation (DX) and ESG initiatives, in order to respond to new needs arising from changes in the external environment and to solve social issues.

(i) Watches Business

The Company started the Global Brand strategy from the first fiscal year of the previous mid-term management plan, and Global Brands grew greatly in those three years, particularly Grand Seiko and Seiko Prospex. Working to further reduce costs also led to steady results in the Watches Business, including improved profitability.

Based on the results, under the Seventh Mid-Term Management Plan, the Watches Business will see Seiko grow towards a true global brand that is ahead of the rest with cutting-edge technologies, expert craftsmanship, and a uniquely Japanese sense of beauty, and is set to become a major player in the world watch market looking ahead to the year 2025. With the Global Brand strategy as its growth engine, the Company will further accelerate its strategy to accomplish revolutionary transformation, while also expanding sales both in Japan and overseas, particularly in the United States and Asia.

(ii) Electronic Devices Business

The Electronic Devices Business saw slower growth in some products due to a slowdown in the Chinese market, but the profitability remained stable as a result of expanded sales in fields of expertise, improvement of unprofitable businesses, and cost reductions. In the Seventh Mid-Term Management Plan, the Company will further evolve “Craftsmanship, Miniaturization and Efficiency” technologies and promote selection and concentration in order to shift key product

portfolio to areas of strength and growth markets.

(iii) Systems Solutions Business

The Systems Solutions Business saw the addition of IIM Corporation, a company that deploys security solutions and performance management for IT systems, to its subsidiary, as well as steady growth during the previous mid-term management plan via increased sales in new fields of business and expansion in stock business. The Company will continue expansion of stock business while also aiming to expand business and build a business structure that is resilient to environmental changes, via diversification including the utilization of M&A. In addition, the Company will reform behavioral patterns and both power up and shape up its organization.

(iv) The Clocks/Wako/Time Systems Business

The Clocks/Wako/Time Systems Business has a long history of supporting the development of Seiko, and still retains links with many of its stakeholders, making it truly positioned as a legacy business. The integration of Seiko Clock Inc. and Seiko Time Systems, Inc. on April 1, 2021 will generate synergy effects and expand business areas. In addition, each business, including Wako, will continue to play a role in improving the value of the brand.

5. Initiatives for other issues

(i) New research and development

The Company will strive to develop new high-end movements, new materials, and connected modules via active investment, in order to achieve a shift to high-end, high-added value products. Furthermore, the Company will focus on the research and development of new products, new materials, and new technologies for growth markets in not only the Watches Business, but also the Electronic Devices Business and the Systems Solutions Business.

(ii) Enhancing management foundation

The Company will enhance its branding, human resources, and financial strategies in order to strengthen its management foundation.

Branding strategy involves further boosting image as a dynamic company by strengthening its fields of sports and music while actively promoting digital communications and events for younger generations, as well as continuing to invest in enhancing corporate brand value from the mid- to long-term viewpoint.

Human resources strategy involves preparing an environment where personnel with diverse senses of value can work enthusiastically, aiming for sustainable growth of the Group by creating

a virtuous cycle of “recruiting,” “cultivating,” and “leveraging” human resources.

Financial strategy involves aiming to thoroughly implementing investment management to achieve “wins” through the generation of operating cash flow to support the “aggressive approach” period, well-balanced investing cash flow, and cost-controlled financing cash flow. The Company will also aim for continuously improving equity capital ratio by accumulating profit, and maintaining stable dividends.

At the close of this Ordinary General Meeting of Shareholders, the number of Directors eligible to receive basic compensation is 13 (including 2 Outside Directors), and the number of Executive Directors eligible to receive bonuses is 6.

Basic compensation for Corporate Auditors was resolved to be up to 8 million yen monthly at the 155th Ordinary General Meeting of Shareholders held on June 29, 2016. At the close of this Ordinary General Meeting of Shareholders, the number of Corporate Auditors eligible to receive basic compensation is 5.

Stock compensation was resolved at the 155th Ordinary General Meeting of Shareholders held on June 29, 2016 that for every three fiscal years consistent with the Mid-Term Management Plan, money paid by the Company is up to 240 million yen and the aggregate number of shares delivered to eligible Executive Directors is up to 540,000 shares (180,000 shares per fiscal year). At the close of this Ordinary General Meeting of Shareholders, the number of Executive Directors eligible to receive stock compensation is 6.

The Company conducted a share consolidation by which five common shares have been consolidated into one share as of October 1, 2017. The number of shares after the share consolidation is up to 108,000 shares (36,000 shares per fiscal year).

- (6) Policy for determining the content of compensation, etc. for Directors and Corporate Auditors  
[Policy for determining compensation for Directors]

The Company resolved at the Board of Directors meeting held on March 9, 2021 on a policy for determining the content of compensation, etc. for individual Directors, as a) to f) below. After being deliberated on by the Corporate Governance Committee, a majority of the members of which are outside officers, as an advisory body for the Board of Directors, the said policy was determined at the Board of Directors based on the deliberations.

a) Basic policy for compensation for Directors

In determining compensation for Directors and Corporate Auditors of the Company, the basic policy is as follows:

- The Company shall secure the transparency and objectivity of the compensation and maintain the appropriated level of compensation corresponding to their roles and responsibilities.
- Aiming for sustainable growth and mid- to long-term enhancement of the corporate value of the Company and the Company Group, the Company shall promote the execution of duties in line with the corporate philosophy and management strategy, and motivate them to achieve corporate targets.

The level of compensation shall be determined based on results of surveys on compensation for Directors and Corporate Auditors conducted by a third party that target peer companies similar in terms of business activity and scale.

b) Compensation system for Directors

Compensation for Executive Directors comprises of “basic compensation” as fixed compensation, “bonuses” that are linked to performance (short-term incentive compensation), and “stock compensation” (mid- to long-term incentive compensation). Compensation for non-executive Directors such as Outside Directors comprises only of “basic compensation.”

c) Policy for determining the amount of compensation, etc. for individual Directors regarding basic compensation (monetary compensation) (including the policy for the timing to provide compensation, etc. or the determination of conditions)

Basic compensation for Directors of the Company shall be monthly fixed compensation. The amount shall be determined by taking into account comprehensive factors, while considering the level of peer companies and the length of service, etc., according to their roles and responsibilities.

d) Policy for determining performance-based compensation, etc. and the content and amount of non-monetary compensation, etc., or the calculation method for the number (including the policy for the timing to provide compensation or the determination of conditions)

Performance-based compensation, etc. shall comprise of “bonuses” as monetary compensation and “stock compensation” as non-monetary compensation, etc.

(Bonuses)

For bonuses, a standard payment shall be the amount obtained by multiplying the basic compensation by a coefficient determined for each position. The individual payments for Chairman and President shall be determined by multiplying the standard payment by the payment ratio according to the performance achievement ratio. The individual payments for Executive Directors other than President shall be determined by adding the amounts obtained by multiplying the standard payments by the payment ratio according to the performance achievement ratio, to the amounts obtained by multiplying

the standard payments by the payment ratio based on qualitative evaluations. Bonuses shall fluctuate in the range of 0 to 200 % depending on the degree of achievement of the target values.

(Stock compensation)

For stock compensation, points obtained by converting the individual benefits into the number of shares shall be granted each fiscal year. The individual benefits shall be the amounts determined by adding the standard benefits (fixed portion) obtained by multiplying the basic compensation by a coefficient determined for each position, to the amount obtained by multiplying the standard benefits by the payment ratio according to the performance achievement ratio (performance-based portion). The performance-based portion of the stock compensation shall fluctuate in the range of 0 to 200% depending on the degree of achievement of the target values. The guideline for the ratio of the fixed portion and the performance-based portion shall be 50%, respectively (when the performance achievement ratio is 100%).

Performance indicators related to the above performance-based compensation shall be “consolidated net sales” and “consolidated operating profit,” which are defined as significant management indicators related to evaluation of corporate performance, in order to function as incentives to achieve corporate targets of the Company Group.

	Bonuses	Stock compensation
Performance indicators	Consolidated net sales and consolidated operating profit * Target values shall be earnings forecast values announced in financial results at the beginning of the fiscal year.	Consolidated net sales and consolidated operating profit * Target values shall be externally published values in the Mid-Term Management Plan, and evaluated as accumulative values from the first fiscal year to the evaluation year.
	(Exceptions) If an unpredictable situation (an event that significantly affects consolidated business results or corporate value) occurs during the evaluation period, the target value shall be revised by resolution of the Board of Directors after consulting with the Corporate Governance Committee.	
Timing of payment and delivery	The portion for the current fiscal year shall be paid at the end of May in the following year.	The points for the current fiscal year shall be granted at the end of May in the following year. At the time of retirement, one point shall be converted to one stock, and the Company’s stocks shall be delivered.

Clauses for return of compensation	If Executive Director is dismissed or if Executive Director commits an act that causes serious damage to the Company or any other non-conformity similar to such act before his/her retirement, all or part of the bonus to be paid may be reduced by resolution of the Board of Directors.	If the prospective recipient is dismissed or if the prospective recipient commits an act that causes serious damage to the Company or the Company Group or any other non-conformity similar to such act before his/her retirement, all or part of the stocks to be delivered and money to be paid may be reduced by resolution of the Board of Directors of the Company or the Company Group.
------------------------------------	---	---

- e) Policy for determining the ratio of the amount of monetary compensation, the amount of performance-based compensation, etc., or the amount of non-monetary compensation, etc. to the amount of compensation, etc. for individual Directors

With regard to the compensation ratio of each type for Executive Directors, the level of peer companies shall be considered so that it will be an appropriate ratio as an incentive to contribute to the enhancement of the corporate value of the Company. After being deliberated on by the Corporate Governance Committee, a majority of the members of which are outside officers, as an advisory body for the Board of Directors, the said policy shall be determined at the Board of Directors based on the deliberations. The guideline for the compensation ratio of each type shall be as follows (when the performance achievement ratio and the payment ratio based on qualitative evaluations are 100%):

	Fixed compensation	Performance-based compensation, etc.	
	Basic compensation	Bonuses	Stock compensation
President	1.0	0.2	0.2
Executive Directors other than President	1.0	0.15	0.15

- f) Matters for determining the content of compensation, etc. for individual Directors

With regard to part of compensation for individuals, Chairman and President shall be delegated the specific contents based on the resolution of the Board of Directors. The content of such authority shall be the amount of basic compensation for each Director and the qualitative evaluations of bonuses for each Executive Director.

The Corporate Governance Committee shall deliberate annually on the level of compensation for each position of Directors, so that the authority may be properly exercised by Chairman and President. Chairman and President who have received the said delegation shall be required to make decisions based on the content of the deliberations.

Performance-based compensation, etc. of individual Executive Directors (excluding the above-mentioned delegation) shall be determined in accordance with the rules (the rules which stipulate the calculating method of performance-based compensation, etc. and non-monetary compensation, etc. in accordance with the policy d) above) established by resolution of the Board of Directors.

After being deliberated on by the Corporate Governance Committee, a majority of the members of which are outside officers, as an advisory body for the Board of Directors, the said contents of the compensation, etc. shall be determined by the Board of Directors based on the deliberations.

[Policy for determining compensation for Corporate Auditors]

Basic compensation for Corporate Auditors shall be determined by deliberations at the Board of Corporate Auditor, in the range of aggregate amount of compensation for Corporate Auditors approved at the General Meeting of Shareholders.

- (7) Matters related to delegation of determining compensation, etc. for individual Director  
With regard to part of compensation for individual Directors, the Board of Directors delegates Mr. Shinji Hattori, Chairman and Mr. Yoshinobu Nakamura, President to determine the specific contents. The position and responsibility at the Company on the day that such details were determined are the same as (1) above. The delegated authority and the measures to ensure that the authority is properly exercised are stated in (6), f) above.  
The reason that the authority is delegated to Chairman and President is that the Board of Directors judged that President is the most suitable for evaluating the duties of each Director while taking a bird's-eye view of the entire Company's business results, etc.
- (8) Reasons that the Board of Directors judged that the content of compensation, etc. for individual Directors for the current fiscal year was in line with the policy  
In determining the content of compensation, etc. for individual Directors for the current fiscal year, the Corporate Governance Committee reviewed the compensation level for each position from various perspectives, including consistency with the policy. Accordingly, the Board of Directors basically respected the report and judged that it is in line with the policy.
- (9) Activities at the Board of Directors and the Committee in the process of determining the amounts of compensation, etc. for officers for the current fiscal year  
The Corporate Governance Committee deliberated on the appropriateness of the compensation level of Directors and the amount of performance-based compensation paid for the current fiscal year, and reported them to the Board of Directors.

The Board of Directors  
SEIKO HOLDINGS CORPORATION

*Opinion*

Pursuant to Article 444, Paragraph 4 of the Companies Act, we have audited the accompanying consolidated financial statements, which comprise the consolidated balance sheet, the consolidated statements of income, the consolidated statements of changes in equity and the notes to consolidated financial statements of SEIKO HOLDINGS CORPORATION (the "Company") for the fiscal year from April 1, 2020 through March 31, 2021.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position and results of operations of SEIKO HOLDINGS CORPORATION, which consists of the Company and its consolidated subsidiaries, for the period covered by the consolidated financial statements in conformity with accounting principles generally accepted in Japan.

*Basis for the Opinion*

We conducted our audit in accordance with auditing standards generally accepted in Japan. Our responsibility under the auditing standards is stated in "Auditor's Responsibility for the Audit of the Consolidated Financial Statements." We are independent of the Company and its consolidated subsidiaries in accordance with the provisions related to professional ethics in Japan, and are fulfilling other ethical responsibilities as an auditor. We believe that we have obtained sufficient and appropriate audit evidence to provide a basis for our audit opinion.

*Responsibilities of Management, Corporate Auditors, and the Board of Corporate Auditors for the Consolidated Financial Statements*

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in Japan, and for designing and operating such internal control as management determines is necessary to enable the presentation and fair presentation of the consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing whether it is appropriate to prepare the consolidated financial statements in accordance with the premise of a going concern, and for disclosing matters relating to going concern when it is required to do so in accordance with accounting principles generally accepted in Japan.

The Corporate Auditors and the Board of Corporate Auditors are responsible for monitoring the execution of the duties of Directors related to designing and operating the financial reporting process.

*Auditor's Responsibility for the Audit of the Consolidated Financial Statements*

Our responsibility is to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to express an opinion on the consolidated financial statements from an independent standpoint in an audit report, based on our audit. Misstatements can occur as a result of fraud or error, and are deemed material if they can be reasonably expected to, either individually or collectively, influence the decisions of users taken on the basis of the consolidated financial statements.

We make professional judgment in the audit process in accordance with auditing standards generally accepted in Japan, and perform the following while maintaining professional skepticism.

- Identify and assess the risks of material misstatement, whether due to fraud or error. Design and implement audit procedures to address the risks of material misstatement. The audit procedures shall be selected and applied as determined by the auditor. In addition, sufficient and appropriate audit evidence shall be obtained to provide a basis for the audit opinion.
- In making those risk assessments, the auditor considers internal control relevant to the entity's audit in order to design audit procedures that are appropriate in the circumstances, although the purpose of the audit of the consolidated financial statements is not to express an opinion on the effectiveness of the entity's internal control.
- Assess the appropriateness of accounting policies adopted by management and the method of their application, as well as the reasonableness of accounting estimates made by management and the adequacy of related notes.
- Determine whether it is appropriate for management to prepare the consolidated financial statements on the premise of a going concern and, based on the audit evidence obtained, determine whether there is a significant uncertainty in regard to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If there is a significant uncertainty concerning the premise of a going concern, the auditor is required to call attention to the notes to the consolidated financial statements in the audit report, or if the notes to the consolidated financial statements pertaining to the significant uncertainty are inappropriate, issue a modified opinion on the consolidated financial statements. While the conclusions of the auditor are based on the audit evidence obtained up to the date of the audit report, depending on future events or conditions, an entity may be unable to continue as a going concern.
- Besides assessing whether the presentation of and notes to the consolidated financial statements are in accordance with accounting principles generally accepted in Japan, assess the presentation, structure, and content of the consolidated financial statements including related notes, and whether the consolidated financial statements fairly present the transactions and accounting events on which they are based.
- Obtain sufficient and appropriate audit evidence regarding the financial information of the Company and its consolidated subsidiaries in order to express an opinion on the consolidated

financial statements. The auditor is responsible for instructing, supervising, and implementing the audit of the consolidated financial statements, and is solely responsible for the audit opinion. The auditor reports to the Corporate Auditors and the Board of Corporate Auditors regarding the scope and timing of implementation of the planned audit, material audit findings including material weaknesses in internal control identified in the course of the audit, and other matters required under the auditing standards.

The auditor reports to the Corporate Auditors and the Board of Corporate Auditors regarding the observance of provisions related to professional ethics in Japan as well as matters that are reasonably considered to have an impact on the auditor's independence and any safeguards that are in place to reduce or eliminate obstacles.

*Interest*

Our firm and engagement partners have no interests in the Company or its consolidated subsidiaries requiring disclosure under the provisions of the Certified Public Accountants Act of Japan.

*Opinion*

Pursuant to Article 436, Paragraph 2, Item 1 of the Companies Act, we have audited the accompanying financial statements, which comprise the non-consolidated balance sheet, the non-consolidated statements of income, the non-consolidated statements of changes in equity and the related notes, and the accompanying supplementary schedules of SEIKO HOLDINGS CORPORATION (the "Company") for the 160th fiscal year from April 1, 2020 through March 31, 2021.

In our opinion, the financial statements and the accompanying supplementary schedules referred to above present fairly, in all material respects, the financial position of the Company as of March 31, 2021, and the results of its operations for the year then ended in conformity with accounting principles generally accepted in Japan.

*Basis for the Opinion*

We conducted our audit in accordance with auditing standards generally accepted in Japan. Our responsibility under the auditing standards is stated in "Auditor's Responsibility for the Audit of the Financial Statements and the Accompanying Supplementary Schedules." We are independent of the Company in accordance with the provisions related to professional ethics in Japan, and are fulfilling other ethical responsibilities as an auditor. We believe that we have obtained sufficient and appropriate audit evidence to provide a basis for our audit opinion.

*Responsibilities of Management, Corporate Auditors, and the Board of Corporate Auditors for the Financial Statements and the Accompanying Supplementary Schedules*

Management is responsible for the preparation and fair presentation of the financial statements and the accompanying supplementary schedules in accordance with accounting principles generally accepted in Japan, and for designing and operating such internal control as management determines is necessary to enable the preparation and fair presentation of the financial statements and the accompanying supplementary schedules that are free from material misstatement, whether due to fraud or error.

Certified copy of audit report by the Board of Corporate Auditors

### **Audit Report**

The Board of Corporate Auditors has deliberated on, prepared and submitted this Audit Report as below, based on the audit reports made by the Corporate Auditors concerning the execution of duties by Directors for the fiscal year ended March 31, 2021 (from April 1, 2020 to March 31, 2021).

1. Methods and contents of the audit by Corporate Auditors and Board of Corporate Auditors
  - (1) The Board of Corporate Auditors established the audit policies and division of duties, received reports regarding the implementation of the audit and results thereof from the respective Corporate Auditors, as well as reports regarding the execution of duties from Directors and the Accounting Auditor, and requested explanations as necessary.
  - (2) In accordance with the audit policies and division of duties determined by the Board of Corporate Auditors, each Corporate Auditor made efforts to collect information and establish proper circumstances for the audit by communicating with the Directors, the internal audit department and other employees, and performed an audit using the following methods:
    - (i) Attending Board of Directors meetings and other important meetings to receive reports regarding the execution of duties from Directors and employees, and requested explanations as necessary. Each Corporate Auditor also inspected important decision-making documents and other materials, and examined the status of operations and the condition of the assets of the Company. With regard to subsidiaries, the Corporate Auditors communicated and exchanged information with directors and corporate auditors thereof, and received reports on business from those subsidiaries as necessary.
    - (ii) With regard to the resolutions by the Board of Directors, described in the business report, regarding the establishment of systems to ensure that the Directors' duties are performed in conformity of laws, regulations and the Articles of Incorporation of the Company and those other systems which are provided for in Article 100, Paragraphs 1 and 3 of the Ordinance for Enforcement of the Companies Act of Japan as systems necessary to ensure proper business operations of a corporate group comprised of a stock company and its subsidiaries, as well as the systems (internal control system) established in accordance with the aforementioned resolutions of the Board of Directors, the Corporate Auditors also periodically received reports from Directors and employees regarding the development and operation thereof, requested explanations as necessary, and expressed opinions.
    - (iii) The Corporate Auditors monitored and examined whether the Accounting Auditor was maintaining an independent position and conducting audits appropriately, obtained reports on the execution of duties from the Accounting Auditor, and requested explanations as necessary. In addition, the Corporate Auditors were informed by the Accounting Auditor that a "system to ensure the duties are performed properly" (the matters stipulated in the respective items of Article 131 of Corporate Accounting Rules) had been implemented in accordance with the "quality management standards concerning audits" (Business Accounting Deliberation Council, October 28, 2005), and requested explanations as necessary.

In accordance with the aforementioned procedures, the Corporate Auditors reviewed the business report and accompanying schedules thereto, and the financial statements (non-consolidated balance sheets, non-consolidated statements of income, non-consolidated statements of changes in shareholders' equity, and notes to non-consolidated financial statements) and accompanying schedules thereto, and consolidated financial statements (consolidated balance sheets, consolidated statements of income, consolidated statements of changes in shareholders' equity, and notes to consolidated financial statements) for the fiscal year ended March 31, 2021.

2. Results of audits

(1) Results of the audit on business reports and related materials

- (i) The business report and accompanying schedules thereto fairly present the condition of the Company in accordance with the laws, regulations and the Articles of Incorporation of the Company.
- (ii) Regarding the execution of duties by Directors, there were no instances of misconduct or material matters in violation of laws, regulations, or the Articles of Incorporation of the Company.
- (iii) The contents of resolutions by the Board of Directors with regard to the internal control system are reasonable. Additionally, regarding the descriptions of the relevant internal control system in the business report and the execution of duties by Directors under the relevant internal control system, there are no matters to be pointed out.

(2) Results of the audit of the non-consolidated financial statements and accompanying schedules thereto

The methods and results of the audit by KPMG AZSA LLC, Accounting Auditor, are fair and reasonable.

(3) Results of the audit of the consolidated financial statements

The methods and results of the audit by KPMG AZSA LLC, Accounting Auditor, are fair and reasonable.
